

Collision Cafes are up and running at all of the schools. Students are meeting weekly to pray and plan, missionary teams are meeting with their peers to share Christ's love with them, and students desire to take on more of a leadership role this year. We have seen spiritual growth among those who lead. God has prepared leaders' hearts for this school year, and we are excited to see how God will work through them and us.

God passionately loves and desires us. He understands us intimately. He gives us the keys to others hearts and how to communicate His love to them. He has asked us to go and make disciples.

Thank you for your partnership as we seek to "Do whatever He tells you" (John 2:5).
